	<ul style="list-style-type: none"> ▪ Certification concerning prohibited and dangerous items. 		
Vehicles	<ul style="list-style-type: none"> ▪ Used Vehicles: <ul style="list-style-type: none"> ▪ Detailed inventory dated and signed, valued in EUR/USD ▪ Original car registration ▪ Certificate of non-pledge (valid for one month) ▪ Original purchase invoice ▪ Certificate of registration or deed of sale signed by the original owner (original) ▪ Certified deed of act of transfer legalised (original) ▪ Technical inspection authorisation (original) ▪ Interpol control document (original) ▪ Legalised copy of export declaration from country of origin ▪ Identity document or passport of the owner ▪ New vehicle with WW plates: <ul style="list-style-type: none"> ▪ Detailed inventory dated and signed, valued in EUR/USD ▪ Original car registration (pay attention to the date of validation) ▪ Certificate of non-pledge (valid for one month) ▪ Identity document or passport of the owner ▪ New vehicle in duty-free without registration plate: <ul style="list-style-type: none"> ▪ Original invoice with destination address 	<ul style="list-style-type: none"> ▪ Vehicles (new or used) are taxed in Djibouti. The amount of tax charged will be provided upon presentation of a copy of the registration card and the Argus value. ▪ Used vehicles intended for the transport of persons and goods must be less than eight years old for: <ul style="list-style-type: none"> ▪ Tourist vehicles ▪ Taxis ▪ Bus of 26-36 seats ▪ Bus up to 36 seats ▪ Trucks of 3.5T up to over 5T ▪ These provisions don't apply to the following vehicles: <ul style="list-style-type: none"> ▪ Foreign diplomat residents in the Republic of Djibouti ▪ Djiboutian diplomats and Djiboutian international civil servants in the context of their move at the end of their mission abroad ▪ All Djiboutians residing abroad for professional reasons returning to Djibouti. 	<ul style="list-style-type: none"> ▪ The technical inspection authorisation (used vehicles) must be issued by a structure approved by the country of origin of the vehicle. ▪ Right-hand-drive vehicles are prohibited. Please note that it is strictly forbidden to include packages in vehicles. If necessary, the latter may be seized by the authorities and destroyed.

GOODS	DOCUMENTS REQUIRED	CUSTOMS PRESCRIPTIONS	REMARKS
	<ul style="list-style-type: none"> ▪ Ex 1 n°3 ▪ Diplomatic passport for the exemption of the protocol 		
<p>Prohibited items</p>		<ul style="list-style-type: none"> ▪ Airsoft and paintball: these items have recently been considered as dangerous and are now prohibited. ▪ Household products (washing powder, diapers, soap, etc.) are not considered as used HHGs. Their import can lead to customs hold and extra charges. ▪ Any natural or legal person bringing a drone into the national territory must declare this fact to the customs authorities at the border, who will keep the object until the owner presents the registration certificate issued. In addition, the drone must be insured. 	<ul style="list-style-type: none"> ▪ Alcohol import is not prohibited. It is, however, discouraged through prohibitive taxes: 33%-147% (depending on alcohol strength) + 10% VAT. ▪ For wine and all other alcohol, you must submit a detailed and separate inventory from personal effects. ▪ If one of these two conditions is not met, it could lead to a fine of 200,000 to 500,000 FDJ, as well as confiscation of the drone.

An abstract geometric pattern consisting of various lines, arcs, and dots in shades of gray, overlaid on a white background. The pattern is dense and intricate, resembling a complex network or a stylized architectural drawing. It occupies the right half of the page.
